“Do you know someone who...?”

How often have you asked that question? Whether it be an electrician, a computer guru or a baker, good recommendations are always in need.

So, let's make it easy and keep it in the “family”.

Home and School would like to put an online directory together of businesses and other hobbies/interest that you have. This directory will be placed on the school website so everyone can refer to it.

Return to office by Friday, September 3rd. Thanks!
