**Holy Family Parish School Mission Statement**

Holy Family Parish School is a Catholic community committed to developing students to their greatest potential. We educate our children in an environment of academic excellence and we empower them to live according to the values of their Catholic faith.

Holy Family Parish School is a unique educational institution serving both parish families and non-parishioners. The school is an integral part of the parish involving students in prayer, worship and service. Our aim is to provide children with an excellent education in a Christian Catholic environment toward a goal of graduating young people dedicated to their faith and their parish.
