

DO YOU WANT TO SAVE MONEY ON TUITION? TRY SCRIP!

What is SCRIP?

SCRIP is a fundraising program that Cindy Guinta introduced to Holy Family 5 years ago. SCRIP does not cost you anything and you don't need to sell a thing. Yet, the program earned over \$2700.00 for our school and \$2400.00 in tuition rebates last year!

SCRIP involves using gift certificates or gift cards. These participating SCRIP retailers sell their gift cards to our school at a discount. School families buy them at face value, redeem them at face value, and the school keeps the difference as revenue. **Holy Family credits 3% of all your purchases back to your family's tuition account to be applied to next year's tuition.**

How does it work?

1. Every Thursday, view the SCRIP order form. Think about what purchases you may be making in the next week. (although the gift cards do not expire)
2. Fill out the order form, sign , and enclose your check made payable to "HOLY FAMILY PARISH". **The orders are due in the school office by 11:00am on FRIDAY.**
3. Your orders will be entered into a specialized SCRIP program that will track your orders.
4. The following Thursday, you will receive the gift cards either through the green folder or you can pick them up in the school the office, which ever you prefer.
5. Order again, or wait until next week. It does not matter.
6. At the end of the semester, you will receive a record of how much money you earned for the school and for your family.
7. Finally, next year's tuition statement will list your SCRIP rebate.

Please note: You must Sign the Waiver of Claim if you want SCRIP to be delivered to you through the green folder.

Other Interesting Facts/Tips

1. We will do local orders each week. National Orders will be done once a month. National orders will be announced in the Principal notes.
2. www.glscrip is the website that lists ALL the **national** merchants. We are happy to place an order from any of the merchants listed as long as it has over a 3% profit. Please use the write in area on the National order form. The merchants are listed in alphabetical order or by type.
3. Friends and grandparents can order SCRIP and you can reap the benefits. Just have them indicate it on the form.
4. You actually earn money for the school and yourself without spending an extra penny.
5. The SCRIP order forms will be located online for your convenience and in the school office.
6. Use SCRIP as part of your regular routine. You can even use Kohls to pay off your credit card bill. Just, wait until your bill arrives. Order enough SCRIP Kohls gift cards to cover it. Stop in the store and pay your bill with the gift cards.
7. Use National SCRIP when purchasing gift cards at holidays and birthdays.
8. Use SCRIP gift cards when placing orders online and you never have to give out your credit card information, for example, LLBEAN.

Please consider using SCRIP this year!
